

Prosopopeia

Farewell drained fen—the judge, fielded
from a cautionary atmosphere's ruling body,
thinks a ship diagram clearly,

standing isolated in phlox reft of episode
only inches from. Unlabeled
Mundo tucked corner of rebozo under.
Keep moving. Keep the cough-ark's

collection dish moving. Horizon: that's where
what one wants to get down to needs material.
Body, one wants to get down.
