

# LIBRARY RECOMMENDATION FORM

DEAR LIBRARIAN,

I recommend the following resource for library purchase:

Journal of Popular Music Studies

eISSN: 1533-1598

*Journal of Popular Music Studies (JPMS)* is the peer-reviewed, quarterly publication of the U.S. Branch of the International Association for the Study of Popular Music (IASPM-US). The journal features work on popular music in its historical, cultural, aesthetic, economic, and political registers and covers all genres of music that have been dubbed popular in any geographic region. In addition to mainstream genres such as rock, hip hop, EDM, punk, or country, it explores popular forms ranging from broadsides to Broadway to Bollywood film music. It aims to present popular music scholarship from a variety of disciplinary perspectives, including history, sociology, musicology, ethnomusicology, cultural studies, and communication.

Reason(s) for recommendation:

- This will be an invaluable resource for myself and my colleagues.
- I will refer my students to this resource.
- I am a contributing author.
