LIBRARY RECOMMENDATION FORM
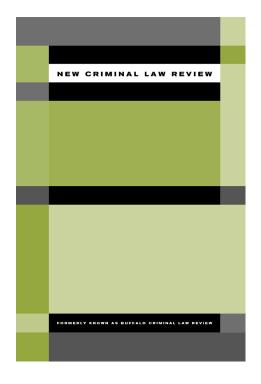

DEAR LIBRARIAN,

I recommend the following resource for library purchase:

New Criminal Law Review

"The *New Criminal Law Review* has become the journal for criminal law theory in the United States, and this is so not merely within the realm of law journals, but also in connection to the related fields of sociology, history, economics, and philosophy. It is hard to imagine doing any work in criminal law theory without engaging with the *New Criminal Law Review*."

—Leo Zaibert, Union College
